Old Academy Building

- I. Call to order – Meeting was called to order at 7:00 PM.
- II. Roll Call – Present: Laura Bedzyk, Carla Pyle, Neeka Grove, Debbie Buckson, Melissa Steele
- III. Minutes from the March meeting were not available.
- IV. Correspondence – None
- V. New Business:
- VI. Old Business:
  - A. Odessa Fire Company – Fire Hall fence

No application was ever made for fencing beyond the railing along the walkway under the portico. Ed Ides was under the impression that the presence of a privacy fence on the construction drawings was sufficient. The fence forward of the portico does not appear on the construction drawings. The PVC (vinyl) fencing material used does not conform to the Design Guidelines which specifically require **cellular** PVC when wood, iron or steel fencing is not used.

**Motion by Debbie Buckson, seconded by Neeka Grove, that the town officially inform the fire company that the current fencing does not conform to the Design Guidelines and an application for fencing must be submitted.**

**Motion carried. Vote: 5 aye, 0 nay**

- VII. Next meeting Date and Time: March 10, 2014, 7:00 PM.
- VIII. Adjournment: The meeting adjourned at 8:20 PM.

Respectfully submitted by,

Laura Bedzyk, Chairperson
